Grow

At the heart of discipleship is learning the teachings of Jesus and practicing them in the real world. Grow Groups are comprised of a core of committed students who are being taught God's Word and learning to live them out in the various contexts of life.

Serve

All students have God-given talents and abilities that can be used for the strengthening of His church. These opportunities to serve become a springboard for ongoing relationships, spiritual growth, and leadership training in which students can gain confidence through success and failure. This safe environment is intended to nurture them toward the goal that they become followers of Jesus who serve from a heart of gratitude and are empowered to take ownership for investing in the next generation of disciples.
