

FAMILY MISSION PROJECT
January 5 • 4-5:30PM

Clean the germs from the building. This is a fun filled time where the kids get to wipe down all the surfaces of the building to get rid of the germs. We love all our folks here and want everyone to be healthy. This 5th anniversary of cleaning helps us all keep sicknesses away! Pastor Aj will supply "green" cleaning supplies and a snack.

TAKE IT HOME
Begins January 26

Take It Home is a program designed for you and your child. Throughout this year, we will come together at the Sunday School hour in the classrooms to discuss and participate in a lesson that is spiritual and family friendly. We will begin in January with the 3's and 4 year old classes and the subject is "All of Us Together". After the children's moment (approximately 9:15am) we will all go to the classroom and share together, January 26. Not only will you have a chance to meet other parents but you will take home some valuable tools for your family and information specifically designed for your age child through our Phases program. Hope to see you there! For more information: amildenberg@carmelumc.org

The Children's Christmas Play was a huge success. Thank you to everyone that helped make this evening so special!
