

### PHASES

**Book available for \$5**

Don't Miss IT! Kids grow up so fast, it seems like just yesterday they were learning to walk and now they are..... It is so hard to know how to parent kids at each age. That is one reason that we have partnered with Orange- a parenting and spiritual program. Their goal and ours is to help you raise your kids to love the world, love God and to be healthy adults! Orange is a strategy for combining critical influences in life to fuel faith in the next generation.

Orange fuels passion by giving students opportunities to be the church and to make a difference influencing their generation. Check out the bulletin board all about the phases and consider purchasing an age appropriate book as a resource for your parenting. \$5 per book and located in the Children's Ministry hall.

**NURSERY CHANGING ROOMS**  
**Beginning September 13● Rm 14**

Childcare is moving TEMPORARILY to room 14 in the basement. We have ordered an air purifier, sorted toys (8 bins) to single use for a single event, thermometers and caregivers will wear masks the entire time also the number of children will be limited based on the space. The room 111, where Childcare was situated prior to Covid is used also for Preschool. The decision was made that because small children cannot wear masks, it would be safer for a room to be used exclusively for Childcare. Lisa Wallace, childcare coordinator has worked very diligently to ensure the safety and security of our children. For questions she may be reached at [childcare@carmelumc.org](mailto:childcare@carmelumc.org).
