9:20 Introduce video: **Say: Todays video is about The Penguins visit a small planet divided by a picket fence round the equator and populated by two factions of sheep, each of whom wants to conquer the other side. It's only when contentment rules that peace is restored.**

Proverbs 14:30 A heart at peace gives life to the body, but envy rots the bones.

Question?

~**Why did Michelle measure her room?** (Because she thought hers was smaller and that wasn't fair))

~**What is the green eyed monster?** (It makes you want what others have)

~Why did the planet have a fence around it? (because they think the grass is greener on the other side.)

~**What happens when the sheep switch sides?** (the sheep are still not happy, they think the grass is better on the side they came from.)

~**What happens when Michele appreciates what she has?** (the green eyed monster goes away, be content.)

Craft: Love you to the Moon and back from Oriental trading. It says Mom- you can decide whether to use that or not. Also, the scripture --- you can switch with **Proverbs 14:30 A heart at peace gives life to the body, but envy rots the bones.**

Prayer: **Say: Thank You God for the fun we had today! Keep us safe as we leave here and help us to remember Your lesson on loving each other. Bring us back next week where we can learn more about You! In Jesus' Name. Amen**
