**PRESCHOOL OPENING HUGE SUCCESS**

Carmel United Methodist Preschool has had a wonderful start to their preschool year! Our students and their families have been so excited to reunite with their old friends and make new friends as well. We have all adapted to many changes and are having a great time together. Thank you to everyone that has helped make the opening a success. We ask that you keep the preschoolers, their families, teachers and staff of the school in your prayers as we learn and share God's love.
