

Merry Christmas

And Happy New Year

December 2020

CUMC Preschool
Newsletter

It's beginning to look a lot like Christmas!

I just love this time of year, and seeing the joy and excitement of our preschool friends during this season, is the BEST! We love their excitement about Santa and enjoy sharing the birth of Jesus through stories, songs, crafts, and prayer.

Sadly, we will not be able to have our Christmas program this year. It has always been one of the highlights of the season to see all of your children singing together on stage to celebrate Jesus' birth. We will continue to celebrate throughout our preschool days together, and hope to share a little surprise with

you before the end of the month!

As we wrap up 2020, and all of its unexpected turns, I pray that you all have a wonderful season reflecting on your many blessings. We thank you for sharing your sweet children with us. We consider them to be some of our blessings too!

Sincerely,
Tiffany Lehman

Cold weather is here. Please remember to wear or pack coats, gloves, and hats for your children. They love their outside play time, and we want them to be comfortable as they play. As long as conditions allow, and the wind chill temperature is above 32 degrees, we will play outside for a chance to get fresh air and exercise (hopefully this will help you with naptime later 😊)!

School Closings and Delays

As winter weather approaches, please remember that we follow WEATHER closings and delays posted by Carmel Clay City Schools. To accommodate all of the changes that have been made by Carmel clay Schools, the preschool will operate under the following hours in case of weather delays and closings:

1 hour delay: Preschool will be in session from 10:00-1:00

2 hour delay: Preschool will be in session from 10:30-1:00

School Closing: Preschool will also be closed for that day
