9:20 Introduce video: **Say: Today's video is about Michelle is feeling down and lonely. Jason and the Penguin Crew try to cheer her up, but only succeed in making her feel worse because nobody listens to her; they simply try and put on a happy face in front of her gloom. When they crash-land on an asteroid, Michelle is made Queen of the strange tribe that lives there. Will she use her power to force all to listen, or will the crew finally learn the importance of compassion on their own? Proverbs 25:20 **Singing cheerful songs to a person with a heavy heart is like taking someone's coat in cold weather or pouring vinegar in a wound.****
