Carmel United Methodist Church established a scholarship fund in 1987. The purpose of the fund is to assist deserving church members who are pursuing advanced education at accredited colleges or universities in the next school year. Scholarship Application Forms are available on the Carmel UMC website. Completed applications must be submitted online on or before **Wednesday, April 16, 2025**.

The purpose of the scholarship is to recognize students for their active church involvement and their display of leadership, community, and volunteer service. Although class ranking or GPA is not the primary requirement for the award, Carmel United Methodist Church believes that working to achieve a quality education is not just a job of an educational institution, but is the primary occupation of every student.

To be considered for this award, the candidate must complete this application form and submit it along with all required attachments by **Wednesday, April 16, 2025**. The packets must be submitted online through the link provided. Do not submit them any other way. Eligibility requirements are outlined on the verification section of the application. No exceptions are allowed.

Scholarships usually have ranged from \$500 - \$1,500. However, the exact amount and number of grants are determined annually, according to the number and quality of the applicants, and the amount of funds available for distribution.

Applicants will be notified of the committee's decision by the end of May. Scholarships are awarded once a year in July preceding the academic year for which the student plans to enroll, and will be sent to the Bursar of the college or university. The scholarship is then applicable to tuition, room and board, and any fees.

Thank you for your service to others and for being an example to your peers. The Higher Education Committee of Carmel United Methodist Church is proud to recognize future leaders with this award, and congratulate you for your interest in becoming a candidate. Blessings on your upcoming graduation! If you have any questions about the application, please contact the Higher Education Committee members through Ryan Remington at 260-888-6911 or [rremington@carmelumc.org](mailto:rremington@carmelumc.org).
